Greetings from the East Brethren,

It looks like we can finally put away our snow blowers and shovels and dig out the mowers and rakes as we wait for the snow to melt. Though we had a long winter, the year seems to be passing rather quickly. I, for one, am ready for Summer, or at least Spring, at this point.

We have been pretty busy here at Tranquil. We have raised a candidate and have three more in the works. We had a DeMolay presentation before our stated meeting in March which was really impressive. In April, we will have a presentation by the Rainbow girls which I am sure will be equally impressive. In May, we will have a Long Service Night in order to recognize our brethren that have been with Tranquil a long time. On that night, I would like to have a dinner where our families can join us to break bread and enjoy a great dinner.

If you have not attended lodge lately, please try to find the time to come out and join in on the camaraderie. For those that do come regularly, we thank you for your support.

Please remember our brothers and their families that are struggling with health issues and whatever else and remember to stretch forth a help hand. Take advantage of the good weather coming, open a window, take in some fresh air, go out and see family. Be safe and enjoy yourself. Hope to see you soon.

Fraternally,

Wor. Jay P. Poirier
