# Master's Designs Upon the Trestleboard

Brethren

We have had a great year thus far. We still have several things to accomplish before the end of the year. We still have still have one Entered Apprentice degree in the works which will give us three Fellow Craft degrees to schedule.

We also have one Master Mason degree remaining and I would like to try to complete as many as we can prior to the end of the year. Once we have dates scheduled for degrees we will be sure to put them on the Grand Lodge Calendar as well as send out an email

One major reminder is that we are in need of assistance to clean the Lodge. Many hands make light work and if we all come together we will have it completed in no time
