Master's Designs Upon the Trestleboard

Brethren,

Things are going pretty well of late, with the new officers doing very good work. We have a FC degree and a MM degree coming up in April. We still need brethren to step up and help in the lectures department though. If you have an interest in the lectures, please get in touch with me ASAP so that I can get you someone to assist you with learning whatever part you want to learn. You "New" Masons, this would be a great place to learn what masonry is all about from the Blue Lodge side of masonry. This would be of great help to next year's officers. Get involved.

I would like to know if there is any interest in a Lodge picnic this year, say sometime this summer. Drop me a not in any manner that you chose and as soon as possible so that I have an opportunity to plan.

We look forward to seeing all brethren at our next stated meeting on April 12th 6:30 supper with a FC degree at 7:30. Suppers have been very good by Eastern Stair ladies.

Communications are getting better not perfect yet, but better and with your help that can be improved upon. If you change any part of your addresses please let Bro. Andy Caron know of those changes so that you are not left out. We are also creating a list of snail mail address, if you or someone you know doesn't get the email version, let Bro. Andy Caron or R. Wor. Bob Webber know.

Fraternally,

Fraternally,
Frank E. Hilton
