Master's Designs Upon the Trestleboard

Brethren,

This being my last Trestleboard as Master of United 8 Lodge I would like to thank all Brethren for their assistance over the last four years. It has been a great undertaking for me, but I would do it all over again. I really enjoyed doing the office. We have a wonderful line of officers and without a Past Master in the line. That said the Secretary and the Treasurer are paid officers and are considered professional positions. Thank you for the opportunity to serve you Brethren. There are some changes that need to be made to our schedule.

- February 7th at 6:00 PM in the Library there will be a meeting of the Charity Corp. All Brethren are invited to attend these meetings.
- February 9th in the dining room there will be a meeting of the District Officers Association. I would like to see as many Brethren there as can make it more especially the officer of United 8. This will be my last meeting as Master of United 8. I could use some help with the refreshments for the evening as well.
- February 15th the degree is changed to a Fellow Craft degree as the candidate will be attending a work related school and will not be able to take his Master Mason degree at this time. Therefore the rehearsal on Sunday evening at 7:00 PM the 12th of February will be for a Fellow Craft degree.
- February 18th at 2:00 PM we will install our new officers for the coming year. The installing sweet will be the KORA Craftsmen with bag piper. Light refreshments will be served after the installation. Please be aware that there will be a Clock Club work shop in the Library at the same time as the installation. This work shop will not interfere with our work as it is a small group.
- February 26th in the dining room there will be a meeting of the Building Corp. starting at 8:00 AM with breakfast and business meeting at 9:00 AM. All Brethren are invited to attend though I would like to have a count for the breakfast meal please

I can assure you Brethren that I will not disappear as so many other past masters have and I will still be looking for your help with the building and grounds throughout the years to come.

Thank you and God bless,

WM Frank E. Hilton
