# Master's Designs Upon the Trestleboard

Brethren,

Here comes summer. We go dark at the end of June for a well-deserved rest, well from Lodge Degree work anyway. We do need to work on the building and the grounds though. I think you will find that the lawn mower is a lot of fun to run, and it is quick. We still could use some help in that area. We do need to do a little hand lawn mowing for now as we will be clearing away the grass from around the building and placing stone about two feet from the building all the way around the building this summer.

One item that we need to take care of is the brush pile at the corner of the new parking lot. It may take two or three short Saturday mornings to load the brush into a trailer to be moved to a disposal area or to my home to be burned. Whichever is the cheapest. I would like to start this process Saturday June 11th weather permitting.

We have a couple of non-Masonic events coming right up starting this Saturday May 28th with a plant sale and on June 4th a 5K road run.

Please have a safe summer and enjoy your selves!

Fraternally,  
Frank E. Hilton

Master
