Master's Designs Upon the Trestleboard

Brethren,

I want to thank the new officers for their great work this past month, and their first time doing the work. We still need Brethren to step forward with the lectures though. The thing with the lectures is, you do not have to do the whole lecture. You can divide the lectures into sections, or parts so that more Brethren can get involved with the delivery of the lectures.

This last Tuesday evening's FC degree, I would like to thank those Brethren that helped with the preparation of supper, and the Brethren that helped clean up after supper. The Eastern Star ladies would be proud of us. Hope they get better real soon.

We have a good amount of work in front of us in the month of March. So please plan accordingly. We will start off with a rehearsal for an EA degree on Sunday the 6th at 7:00 PM. On Tuesday the 8th we will have a supper at 6:30 PM followed by an EA degree at 7:30 PM and stated meeting to follow the degree work.

To the 13th of March, we will have a rehearsal for an EA degree. Then on March 15th we will start with supper at 6:30 PM and at 7:30 we will work the EA degree on one candidate.

To the 20th of March we will have a rehearsal for a MM degree. Then on March 22nd we will start with supper at 6:30 PM and at 7:30 we will work the MM degree on one candidate.

Fraternally,

Fraternally,
