Master's Designs Upon the Trestleboard

Brethren,

Spring is here and at United Lodge we will be quite busy. Consistent degree work will take us through June, beginning with a Master Mason degree on April 24th at 7:30, 6:30 supper. But of utmost importance to mention is our Fellowship Night on Saturday, May 19th.

Beginning with a semi public 5:30 meet greet and eat, with a free meal for you and your guest (be it a spouse, friend or loved one. All welcome!), and a 7 pm presentation by soon to be Most Worshipful Mark Rustin, who was kind enough to accept our invitation to speak.

The purpose of this Fellowship Night is to introduce our craft to new men who might take interest in what we do, and hopefully join us. If you can, please attend and tell anyone you might think would make a good Mason that they are welcome to come eat and socialize with us, and get a sense for what we do. Keep in touch with them and offer to take them yourself if possible. You would be doing a great service to our fraternity by introducing a potential member to Freemasonry. And you'll all be well fed.

We are hoping to see many of you Brothers come join us soon for a stated meeting, degree work, or our Fellowship Night. Especially those who have had busy lives that have kept them from attending, and who haven't spent an evening with us for a while. Our officers will welcome you and if need be, give brief refreshers on signs, handshakes, anything one can forget by the lapse of time. We need you, please join us!

Best wishes for you and your families,

David Koncz
Worshipful Master United #8
