# NOTES

- Brethren,
- United Lodge is starting a program called Bikes for Books. Bikes for Books is a reading incentive program for kids in grades K-8 and has been successful throughout Maine for several years. United lodge and Woodside Elementary School in Topsham will partner to make the program available to Grades K-5, in mid April.
- This is how the program works: For every book a child reads, they get a ticket to fill out and put in a drawing for a new bike and helmet. The program will run through mid April, we will draw one ticket for a boy and one for a girl from each class and the child whose name is on the ticket will win a new bike and helmet, so the more books they read, the more chances they get.
- There are 19 classes at Woodside, grades k-5, our plan is to raise funds to cover the cost of procuring 38 bikes and helmets. To do this we need your financial support. I would like to suggest that if possible, “Adopt a Bike”. Huffly Bikes will provide the bikes at cost. The cost of the bikes are, 16” Bikes, \$29.00 – 20” Bikes \$32.50 – 24” Bikes \$46.00 – 26” Bikes \$47.00.
- Please consider a donation to this very important youth reading program. Any amount is greatly appreciated. Please make checks payable to United lodge No. 8 and earmark them Bikes for Books. Thank you.

# *Master's Designs Upon the Trestleboard*

Brethren,

Here it is the first of March! It has been a challenging, cold and difficult winter! Can spring be far away? As we look forward to better climes, let us not forget the work that lies ahead. Please take note of the many activities that are scheduled through the month of April. I encourage United Lodge members residing in the area to come out and support your Lodge and the 14<sup>th</sup> District, whenever possible. Installation of Officers have been completed throughout the District, we have many new faces, as well as some of the old regulars seated for 2015, however, all eager to labor for the good of the fraternity. Of course, additional help is always needed and appreciated. We need a hand with completing the construction of the new Lodge storage shed, (we'll wait till the weather improves a bit!!) Another project coming up shortly is, Books for Bikes, we will need help with assembly of 38 bicycles, transportation and distribution to the winners. Help is always needed in the kitchen for meal prep and cleanup. Also, elder Brothers are in demand to assist new candidates with their lessons. If you are interested in donating a few hours of time, to assist with the many projects United Lodge is undertaking, please give me a call. I can find work for you to do. Thank you.

Fraternally,  
Frank E. Hilton
